

1st International SCOLIOSIS WEEK

Jeddah KSA

1-3 October, 2025

Four Points by Sheraton

Welcome Message

Dear Friends and Colleagues,

It is with great pleasure that we welcome you to the 1st International Scoliosis Week, taking place from 1-3 October 2025 at Four Points by Sheraton, Jeddah, Saudi Arabia.

This inaugural event brings together a distinguished community of spine specialists, surgeons, researchers, and healthcare professionals united by a shared dedication to advancing scoliosis care and treatment.

Over the course of the week, attendees will engage in a robust scientific program featuring cutting-edge lectures, live surgical demonstrations, and hands-on workshops, all designed to encourage meaningful knowledge exchange and practical learning.

We are proud to host this dynamic platform for innovation, collaboration, and excellence in the management of spinal deformities. Your participation is not only key to the success of this event but also instrumental in shaping the global future of scoliosis care.

We look forward to an inspiring, productive, and memorable experience with you.

Welcome to Jeddah, Welcome to Scoliosis Week!

Sincerely,

Youssry El Hawary
Conference Chairman
